

DRILLS, EXERCISES, TRAININGS

HISTORY: 2001 BIO EX

The Los Angeles County Emergency Operations Center (CEOC) served as host of the 2001 "Bio Ex" exercise scenario that focused on a bioterrorism incident involving the simulated release of plague bacteria on November 15, 2001. The objective of the exercise was to introduce the CEOC staff to a bioterrorism event and its impact on CEOC's operations.
