

## BICEPP Program Announcement

# Southern California Emergency Managers Conference

September 15, 2016 - Reseda

[Registration here...](#)

### Disaster Professionals....

In these challenging times, emergency and disaster preparedness planning are essential for all businesses. Join us for the 1st annual Southern California Emergency Managers Conference on September 15th -- brought to you by BICEPP, Nexis Preparedness Systems/ Firestorm and the California Resiliency Alliance and graciously hosted at the Reseda office of Los Angeles City Councilmember Bob Blumenfield.

This all-day, all-hazards event is a must-attend for emergency, EH&S, business continuity, facilities, security and operations managers. We've lined up a great roster of speakers including experts from the Los Angeles City Council, LAPD, Caltech, the Los Angeles Emergency Preparedness Foundation, Los Angeles County Office of Emergency Management, City of Los Angeles Emergency Management Department, California Governor's Office of Emergency Services, NBC Universal, J. Paul Getty Trust, City National Bank and more! Take a look at our speaker line-up (Bios below):
