[EMERGENCY SURVIVAL GUIDE](#)

In 2010, the County of Los Angeles launched its latest disaster preparedness material, Emergency Survival Guide (ESG).

The 100-page guide provides information on how to better prepare for, respond to and recover from emergencies and/or disasters that will impact Los Angeles County.

The ESG is available in the following languages in addition to audio and Braille formats:

- Arabic
- Armenian
- Chinese Simplified
- Chinese Traditional
- English
- Farsi
- Khmer
- Korean
- Russian
- Spanish
- Tagalog
- Thai

- Vietnamese

To download a version of the ESG, please go to <http://lacounty.gov> or access the Emergency Survival Program website at <http://espfocus.org>.

Below are individuals and communities who have received their County of Los Angeles Emergency Survival Guides, and are getting involved as they prepare their unincorporated area communities for disasters and/or emergencies.
